OSI Systems Receives \$15 Million in Orders for Service and Maintenance of Inspection Systems

HAWTHORNE, Calif.--(BUSINESS WIRE)-- [OSI Systems, Inc.](#) (NASDAQ: OSIS), a vertically-integrated provider of specialized electronics and services, today announced that its Security division, Rapiscan Systems, received orders for approximately \$15 million to provide field service and maintenance of Rapiscan inspection systems, including Secure 1000 personnel screeners. These contracts are in support of U.S. Government security and defense programs.

Ajay Mehra, President of Rapiscan Systems, stated, "We look forward to providing a variety of services under these orders. With a growing installed base, we continue to strengthen our service offerings. Rapiscan provides comprehensive service and on site support for its wide range of inspection platforms."

Rapiscan Systems operates a 24x7 global service team that provides expert support to customers, from pre-installation operations analysis, to operator training, to installation and on-going maintenance.
