OSI Systems Awarded \$14.0 Million Phase 3 Contract from Edo Corporation

October 29, 2007: Hawthorne, CA

OSI Systems, Inc. (NASDAQ: OSIS), a vertically-integrated provider of specialized electronic products for critical applications in the Security and Healthcare industries announced today that its Optoelectronics and Manufacturing division has received a phase 3 order for approximately \$14.0 million from EDO Corporation. The contract follows the previously received phase 1 & 2 contracts from EDO for \$5 million and \$22.1 million respectively.

Under the terms of the contract OSI's Optoelectronics and Manufacturing division will deliver electronic sub-assemblies to be used by EDO in its CREW 2.1 vehicle-mounted electronic jammer systems currently under contract for ultimate delivery to the U.S. Department of Defense.

OSI Optoelectronics and Manufacturing division President, Mr. Manoocher Mansouri, stated, We are pleased to announce receipt of this significant phase 3 contract award from EDO. The contract underscores our capabilities in electronics manufacturing and our commitment to this important national security program.
